Preface

Punjab University Library is providing an indexing service “Newspaper’s index”. This is a monthly publication of newspaper articles published in famous local and foreign newspapers. Since January 2005 library is also providing this index on internet. Library is offering the current index as well as the archives and a cumulative index on our website http://www.pulibrary.edu.pk, In addition to that, hard and soft copies of the indices are also available in the Serials section of the Library.

Contents are divided in two categories, Pakistan and the other World. Furthermore both of the categories have their sub-contents arranged alphabetically under various subjects. Indexed entries are further arranged under author alphabetically within their relevant subjects. Indexed entries provide bibliographic information about the articles. The scope, arrangement, format and abbreviations used in the index are as under.

Scope:

Bibliographical Information:

It is a subject index; Entries in each subject have been arranged alphabetically by author.

Sample entry:

Author: Only Christian author’s names are inverted in their family name e.g. Roy C. Macridis will be inverted as Macridis, Roy C.

Title: Complete title of the article is in double quotes “Title: subtitle” while sub-title (if any) is separated with colon (:).

Publisher: Name of the newspaper e.g. The Nation

Date of Publication: Abbreviated month and year of publication are printed in the Format "1 February, 2007,"

Page No: Regular pages are indicated as p.7, while pages having a specific category name are indexed as, “Business & Economics Review. IV”
