Preface

Punjab University Library is providing an indexing service "Newspaper's index". This is a monthly publication of newspaper articles published in famous local and foreign newspapers. Since January 2005 library is also providing this index on internet. Library is offering the current index as well as the archives and a cumulative index on our website pulibrary.pu.edu.pk, In addition to that, hard and soft copies of the indices are also available in the Serials section of the Library.

Contents are divided in two categories, Pakistan and the other World. Furthermore both of the categories have their sub-contents arranged alphabetically under various subjects. Indexed entries are further arranged under author alphabetically within their relevant subjects. Indexed entries provide bibliographic information about the articles. The scope, arrangement, format and abbreviations used in the index are as under.

Scope:

This Index covers Six major English newspapers "**Dawn, The Nation, The News, Business Recorder, Pakistan Observer and Daily Times**".

Bibliographical Information:

It is a subject index; Entries in each subject have been arranged alphabetically by author.
